

Michigan Renewable Energy Exchange (MI-REX)

2007 Certificates Available for Purchase

MI-REX is operated by the Energy Office to provide a means for owners of small solar and wind electric systems to sell Renewable Energy Certificates (RECs). The Energy Office provides this service at no charge, but only for solar or wind energy systems 1-100 kW in size located in Michigan. A description of MI-REX can be found at www.michigan.gov/eorenew. The Energy Office is not involved in the actual purchase. If you would like to purchase a MI-REX, contact the owner directly. A MI-REX represents one MWH (megawatt hour) or a tenth of a MWH, e.g. 1.6 MI-REX.
